

The Transplant-Related Cost Subsidy fund supports costs associated with Matched Unrelated Donor (MUD) and Related Donor transplants. This financial support hopes to alleviate the patients' hospital expenses related to the transplant.

Fund	Cap	Conditions
Transplant-Related Cost Subsidy	S\$50,000	<ul style="list-style-type: none"> • This subsidy does not cover GST payable. • Patients requiring MUD or Related Donor transplants are eligible, subject to an accredited Medical Social Worker (MSW)'s assessment. • BMDP will provide the funds to cover the transplant-related costs for needy patients up to \$50,000 of the final hospital bill size.

Who may qualify?

Singaporean or Permanent Resident

- New patients
- Relapsed patients

Eligibility Criteria

- Patient must be a holder of the CHAS card (Orange or Blue) or a Medifund Case.
- Recommendation for subsidy must be made by an accredited MSW.

The BMDP will have the discretion in the administration of funds.
